

FlowJo dongle pick-up and return

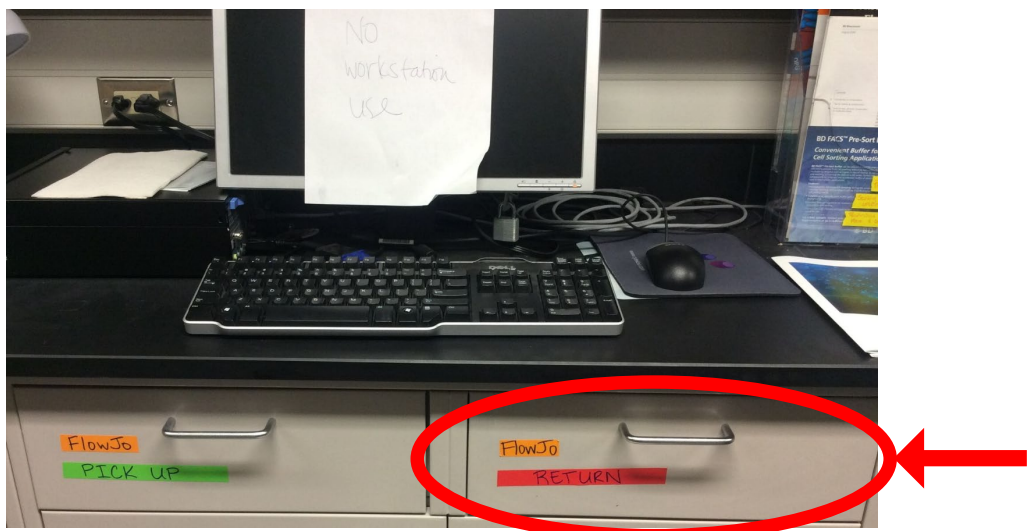

1. Make an appointment to check out a dongle at least one full weekday in advance of requested time
2. Retrieve tube with dongle from “FlowJo PICK UP” drawer
 - Wear a mask and use a clean paper towel to open the door and drawer

- Dongle will be labeled with your name and pick-up date

3. Return dongle (in same tube) to “FlowJo RETURN” drawer

- Facility personnel will clean the dongle after return – please **do not** attempt this yourself
